Remarks

If you've been hoping to find something you can just move right into and enjoy, this might be it. Fresh and clean, this 3 bedroom, 2 bath home checks all the boxes. Easy one-level living with a spacious layout, updated eat-in kitchen with tons of storage. The floorplan has a wonderful flow from the family room with brick fireplace to the outdoor patio. Separate bedroom wing provides privacy. Overall, this is a really solid option if you're looking for something that's been well taken care of and ready for its next owner.
